

With over 25 years in the St. Louis engineering community, EDSI has built a solid reputation for quality work and a cohesive office culture. The company is expanding and currently seeking to fill the following opening:

**Job Title:** **Civil Engineering CAD Technician**

**Location:** Chesterfield, MO or Chicago, IL

EDSI has an immediate opening for a full time Civil Engineering CAD Technician. The ideal candidate should have 3-5 years of experience in design drafting of transportation related projects. Responsibilities include assisting both project managers and engineers with the design and layout of engineering drawings, development of engineering details, preparation of conceptual layouts for highway, roadway and street projects including drainage design, intersection layouts and utility location.

Job Requirements:

- Proficient in AutoCAD, and/or MicroStation design and drafting software
- Work independently, plus the ability to coordinate effectively with multi-disciplined project teams
- Ability to read construction and engineering documents
- Possess workload management skills to meet deadlines
- Detail-oriented
