

With over 25 years in the St. Louis engineering community, EDSI has built a solid reputation for quality work and a cohesive office culture. The company is expanding and currently seeking to fill the following opening:

**Job Title: Roadway Engineer**

**Location:** Chesterfield, MO or Chicago, IL

EDSI has an immediate opening for a full time Roadway Engineer with 4-10 years of experience. The ideal candidate will have a strong interest in detailed design work as well as the ability to interact with clients and contractors. Responsibilities include a broad range of planning and design tasks such as roadway design, roadway rehabilitation, ADA compliant designs, bike and pedestrian trail design, traffic signal design, geometric layout, drainage/hydraulics and quantity development. The position requires competent skills to complete feasibility reports and prepare conceptual, preliminary and construction plans and bid documents for a variety of public and private clients.

Job Requirements:

- B.S. in Civil Engineering from an ABET-Accredited University
- Professional Engineer License or plan to obtain a P.E. License
- Proficiency in AutoCAD Civil 3D and GeoPak
- An understanding of construction and bid documents including project specifications and strong technical writing, analytical and communication skills.
